## Trunk or Treat

Trunk or Treat is this Thursday! It will take place in the Curry parking lot from 6-7 pm. Kids are allowed to come in costumes to trick-or-treat out of the teacher's and parent's car trunks. If you would like to hand out candy, please park your car in the parking lot by 5:30 pm. Thanks!

## Pumpkin Donations

During writing this week, we will be describing a pumpkin using our five senses. We could really use some help gathering supplies! We need some small pumpkins as well as other things that smell or taste like a pumpkin. Thanks in advanced for any families that are able to help out!

## Halloween

I have had a few parents and students asking about how our class will celebrate Halloween this week. Our class will NOT be having a Halloween party and students are asked not to dress up. However, we will be having a pizza party on Friday, 10/30, to celebrate the year so far and if students would like to bring a healthy snack to share, they may. This is not a requirement, but if kids would like to bring something, there must be enough for everyone.

## Class Updates

We had a great week learning all about spiders! Students read both fiction and nonfiction books about spiders, created a spider diagram, and wrote an imaginary story about a spider.

Today is our district writing assessment. Students have the opportunity to show what great writers they have become! Later this week, we will have some fun reading and writing about monsters. Students will have the opportunity to create a poster all about one of our favorite books, *I Need My Monster!*

Please see the announcements on the left side of this newsletter for some donation requests. Thanks to Christopher's family for their donations! As always, please let me know if you have any questions or concerns. Thanks for everything you do!

## Spelling

---

1. I'm
2. don't
3. isn't
4. can't
5. we'll
6. it's
7. I've

\*Challenge Words

## Reading

In reading this week, we will describe an author's main point when writing and identify details that support his point.

## Writing

In writing this week, we will write a descriptive paragraph about a pumpkin.

## Math

In math this week, we will tell time to the nearest hour and half hour.

## Social Studies

In social studies this week, your child will learn describe the events that led up to the American Revolutionary War.

## Science

In science this week, your child will identify objects as solid, liquid, or gas and describe how they know.

## Technology

In technology this week, students will save pictures to their desktop and upload them to Wixie and Edmodo.
