

MCCOY MEMO

mmccoy@tempeschools.org | (480-) 967 - 8336 x5038 | missmccoy2ndgrade.weebly.com

Homework

Tomorrow, students will bring home their STAR Binders for the first time; however, other than reading each evening, homework does not officially start until next week and will not be completed at home until the week after that. Their homework calendar (in their STAR Binder) should be signed **every night** by an adult starting **tomorrow**. Thank you!

Class Website

Please form a habit of visiting our class website regularly: missmccoy2ndgrade.weebly.com You will find class photos, current and past McCoy Memos, and many other useful links.

Remind 101

Remind 101 is a program that allows me to send reminders to parents via text message. (However, parents are not able to respond to messages.) I would like at least one adult per child to be receiving messages. If you did not sign up at Meet the Teacher, please text the message @ae2263 to the phone number 81010 to sign up.

Welcome to 2nd Grade

Happy first day of school! I am so thankful for the wonderful group of students I will be working with this year and eager to include parents as a part of our classroom community. Each week, I will send a newsletter home on Mondays with details about our learning for the week, our spelling list for the week, and important reminders for upcoming events. It is important that parents receive this newsletter from their child each week and review it's content.

Additionally, I will attach a half sheet to the McCoy Memo each week which needs to be signed and returned the following day. It will include things like reminders, progress reports, and behavior reports. Please contact me if you have any questions. Thanks!
