Conferences

Parent teacher conferences begin tomorrow, 9/29. Please contact me if you are unsure when your child's conference will be.

*There will be no Monday Memo to sign this week, since I will be meeting with you all at conferences.

Early Release

We have early release at 1:00 pm starting tomorrow, 9/29, and lasting for the rest of the week. Please be prompt in pick up your students because I will have parents waiting for me to begin conferences.

Book Fair

During conferences this week, the book fair will be set up in the back of the library for your family to enjoy. This will take the place of our October book order, so I encourage you to check it out!

Fall Break

Next week is Fall Break - there will be no school. At conferences, I will send home Fall Break homework. Please take about 30 minutes each day to review with your child so that they are ready to jump back in on October 12th!

Class Updates

I can't believe we are heading into our ninth week together - the last week before fall break! Our class has fallen into routines so nicely, it feels like we've been a classroom family forever.

Please remember that there will be early release Tuesday-Friday this week. Additionally, there will be no homework this week. That being said, there is still a lot of important learning going on! We will be following our normal reading and writing schedule, as well as walking to math in the afternoons. We are already losing a week together because of fall break, so please ensure that your child is at school and on time this week.

I am looking forward to meeting with each of you at parent teacher conferences. There are a lot of great things to say about every student in my class this year!

We are very excited to welcome a new student, Jayvinn, into our classroom community. He will be a great addition to our class. As always, please let me know if you have any questions or concerns. Thanks for everything you do!

No Homework

There will be no spelling test this week because we do not have any homework.

Reading

In reading this week, we will compare and contrast two versions of the same story from different cultures.

Writing

In writing this week, we will practice giving more information about details related to a topic.

Math

In math this week, we will add and subtract numbers within 1000 by using many strategies, including HTO charts and open number lines.

Social Studies

In social studies this week, your child will take an assessment to show their knowledge of maps.

Science

In science this week, your child will take an assessment to show their knowledge of clouds, weather, and the water cycle.

Technology

In technology this week, students will use Edmodo to complete stations and assignments.
